About This Document

This document is a static version of the USAID Global Health Supply Chain Program-Procurement and Supply Management (GHSC-PSM) project's online e-Catalog. Because this static document is updated once per month, prices, quantities, and products may not be up to date. For the most accurate product availability and pricing information, GHSC-PSM recommends use of the full, online e-Catalog. If you already have login credentials, you can access the e-Catalog [here](#).

Requirements for Accessing the Online e-Catalog

Before gaining full access to the e-Catalog or GHSC-PSM's Automated Requisition Tracking Management Information System (ARTMIS), users must complete a series of trainings on its four key components:

1. Procurement: Sourcing, Contract Management, Supplier Lifecycle Management, Program Management
2. Catalog/Requisition Order: Browsing the Catalog, Creating/Modifying/Approving Requisition Orders
3. Order Fulfillment: Modifying Requisition Orders, Replenishment Orders, Drop Shipments, Purchase Orders
4. Reporting: Ad hoc and Pre-Defined Reports

To request access to this training, please complete the appropriate request form below.

- [USAID Country Program Staff and Missions](#)
- [General User ARTMIS Access Request Form](#)

Contact Information

If you experience any technical difficulties or need any assistance with the public training materials linked above, please contact psmmishelpdesk@ghsc-psm.org.
